

Item Based Datasheet

Surface Temperature Sensor TF44

Modelcode type: TF44

Item number: 48784704

Surface Temperature Sensor TF44

Sensor design

Measuring element

Connecting lead

Connecting lead Individually and common plastic insulated;

Lead length [W] 1.500 mm

Electrical connection

Mounting accessories

Operating conditions

Measuring range -20...+105°C (-4...+221°F)

Protection [IP] IP66/IP67 Transition of sensor sleeve to connecting cable
