## Warranty Information

Subject to the terms of Zebra’s Limited Warranty, and unless otherwise stated in the exception list the DS2208 is warranted for a period 60 months from the date of shipment from Zebra or, with proof of purchase, from the purchase date whichever is later, against defects in workmanship and materials, provided the Hardware remains unmodified and is operated under normal and proper conditions and in accordance with Zebra published specifications. Warranty Terms apply. [View warranty statement](#)
